The aesthetic of the symmetry of simple geometric figures. Straight lines are deliberately designed to create a simple yet well-balanced contemporary artistic masterpiece.

Experience the new innovation of showering. The water turbine electricity generator creates an enjoyable experience to relieve your daily stress and fatigue. LED light automatically changes its color with water temperature. Embedded sensor detects your hand movement and adjusts the water stream on your demand for maximum comfort.

**FUNCTION**

**ADJUSTABLE SENSOR**
Sensor position is adjustable up to 360 degrees to accommodate different heights. Kids and adults can enjoy their shower moments alike.

**LED**
LED light changes its color with water temperature, ensuring maximum pleasure and relaxing experience.

**EASY CLEAN**
Easy cleaning by just finger wiping the shower head to remove any stain.
A new faucet inspired by the shiny diamond. Light reflects from the faucet tip to the hands through the water stream. With Turbitech technology, electricity is directly generated from the water power.

Himmapan Series

COPPER

Himmapan Series is a collection of faucets and shower heads that design with the natural style principle in mind, this collection is inspired by magical creatures in the mythical Himmapan forest. The elaborate curve and fows of the spouts resembles the delicate silhouette of Himmapan’s winged creatures. Its surface texture is designed specially to give the microscopic fnish to the original material. The uncoated copper is made to age gracefully and look even better as time passes. In addition the facers and shower heads is decorated with Swarovski crystals for a glamorous and elegant touch.

Everett

EVERETT

The elegance, power, and strength of Glacier had inspired the faucet’s unique and outstanding design. As the sunsets hits the perfectly angled outline of its, the light and shadow appears as white and dark contrast, this product is inspired the grandour of graceful, powerful and mighty glaciers.

EVERETT

MATTE GOLD

Everett, the name derived from the Old English Eowferth. Brave as a wild bear, the Everett Series also incorporates the delicate Classic Victorian design based on the principle of the Edwardian architecture style. Delicate yet strong lines crafted on every piece of faucets produces the warmth and the beauty of the Classical Era design. For harmony in every use, like the sounds of the symphony played in your beautiful bathroom.

EVERETT

SILVER / GOLD

Enter the Queen Mary Gates at Glamis and surround by the Castor’s turrets and towers reached at the end of the mile-long drive, you can be impressed by its majesty. Let feel the scent of Scottish Barroil style, enhance your bathroom with classic series.
