HANDRAIL NATURA SERIES

Universally Designed for All —

Introduces the handrails with ergonomically precise proportion and contoured shape resulting in a good grip; it also comes with natural wood that warm to the touch.

- Wall mount made from solid and rust-proof SUS304 stainless steel, supporting up to 120 kg
- Special manufacturing process for insect and mold-resistant qualities
- Long-lasting wood surface — up to 50-year service life (depending on usage conditions)
